

GECC MEETING & CONFERENCE SPACES

NEED FLEXIBLE SPACE FOR YOUR NEXT MEETING OR CONFERENCE?

Discounted Rates Exclusively for Members!

Founded in 1997, the Greater Elizabeth Chamber of Commerce (GECC) is the largest business association in Elizabeth and surrounding towns, and is your ally in representing and advancing your business interests. Our newly opened **Business Center** is centrally located in the heart of historic Midtown Elizabeth at the corner of Broad Street & West Grand Street, directly across from the main Elizabeth Train Station, an attended city parking garage half a block away, and just a short 8-minute walk to City Hall (0.4 miles). Housed within the second floor of the majestic home of the original Union County Trust Company Bank built in 1909, featuring original marble Greek columns and facade, grand open spaces and two-story windows, and a unique restored contemporary design that pays homage to the original architecture of this historic Elizabeth center for business. The Business Center also houses a curated art gallery with regularly rotating exhibits.

The perfect centralized location for any business meeting with easy access by car, train, or bus, along with our close proximity to Newark Liberty Airport. Tight on time and/or space? Needing a quick in-and-out for that important presentation or to finalize contracts for that new business deal that will propel your enterprise to the next level? Or simply will be in the area for the day and need a central home-base to reply to emails, conduct Virtual Meetings, and respond to phone calls, **GECC Meeting & Conference Spaces** is the ideal cost-effective solution with options to accommodate the needs and budget of our members, from startup to established market shakers.
